Product Specification Sheet

Targus Zip-Thru™ Air Traveler Backpack

Part #: TBB012US

Product Description:

The Targus Zip-Thru™ Air Traveler Backpack is designed to help clear airport security without removing your laptop from your case. The results are:

- Quicker airport processing
- Reduced risk of laptop loss, theft, or damage
- Greater privacy and security

The backpack fits laptops with up to 15.8" screens and splits down the middle, isolating the laptop on one side to allow for clear x-ray scanning. The Zip-Thru™ Air Traveler is lightweight and includes a leather wrapped carry handle, 3D mesh padded back panel for added support and padded ergonomic shoulder straps for comfort and equal weight distribution. The backpack also includes a spacious file compartment, small zip pocket for keys or other quickaccess items, two water-bottle pockets and a number of accessory compartments. Both lightweight and durable, the Zip-Thru backpack helps to simplify air travel while featuring plenty of storage space.
